Call anonymously with information about crime

- Tell us about any crime or criminals
- You won't be asked for your name or any personal details - nobody will know you called
- Calls are not traced or recorded
- You won't need to speak to police, give a statement or go to court
- Calls from landlines and most mobiles are free and will not appear on your bill  
(Please check the Crimestoppers website for details)

***Call the independent charity Crimestoppers anonymously on 0800 555 111***

Tell us you're interested in a reward and we'll give you a unique code so that you can claim your cash if your information leads to an arrest and charge. Your identity will still be protected.
